

## **Important Notice Regarding Delivery of Shareholder Documents**

The Securities and Exchange Commission (SEC) rules allow us to mail a single prospectus, proxy statement, semiannual or annual report to each household. If more than one family member residing at the same residential or post office box mailing address owns shares in the same fund, the household will receive one mailing. Sending a single copy of each of these documents to your household will reduce the Funds' printing and mailing costs.

This policy is effective July 31, 2008 and will continue unless and until you notify us otherwise. If you would prefer to receive your own copy of these documents, call us toll-free at (888) 314-9049 any business day from 8:00 a.m. to 7:00 p.m. (Central time) or visit our web site at [www.winslowgreen.com](http://www.winslowgreen.com). If we do not hear from within 60 days, you will be deemed to have consented to the receipt of only one set of documents to your household. If you revoke your consent, we will resume mailing individual documents to you within 30 days of your request.

We encourage you to participate in this program. It will reduce the volume of duplicate information received at your household as well as reduce our operating expenses.

Thank you.
